## Made in Italy - Tuscany

Fondata nel 1990, Etrusca Italia è oggi una realtà consolidata, la cui professionalità, impegno e qualità consentono all'azienda di essere presente su mercati di alto livello di design del bagno, sia italiani che esteri. Il complesso dei vari processi di produzione che trasformano il prodotto nel risultato finale, sono la traduzione fisica dell'esperienza delle persone che lo hanno pensato, disegnato e realizzato. Su tutti questi aspetti incide indubbiamente la locazione geografica a garanzia di un processo produttivo, in ogni suo dettaglio, internamente realizzato nel territorio Italiano e, soprattutto, Toscano. All'eccellenza italiana, ETRUSCA ITALIA aggiunge il continuo desiderio di stupire il mercato attraverso l'utilizzo di sistemi di produzione innovativi e ricerca di materiali particolari per la realizzazione dei propri prodotti. Completamente progettati nei propri stabilimenti, i nostri articoli sono il risultato di una passione, dedizione, perseveranza che orgogliosamente portiamo avanti dall'ormai lontano anno 1990.
